

Handout 2: Graphic Organizer

For use with the lesson plan *The Holocaust and US Immigration: An Oral History Analysis*

Instructions: After listening to the excerpt of the Alice Dreifuss Goldstein interview, work in small groups to consider the following questions for analysis and complete the graphic organizer with your answers.

What steps did the family take to settle into their life in the US?

What challenges did they face?

How did their identity as immigrants impact how they were treated?

How did being a child at the time impact Alice's experience specifically?
